

FANG INTERNAL LOG: MORROWCORE_001

CLASS: OBSIDIAN // ACCESS LEVEL: SHADE-VIOLET
FILE NAME: MORROWCORE_001
DECRYPTION STATUS: * PARTIAL — OBSERVER ANOMALY DETECTED
SECURITY INTEGRITY: COMPROMISED BY NODE 4487.A.9
TRACELOG: INCOMPLETE — ECHO THREADS CORRUPTED

■ CLASSIFIED OBJECT: MORROWCORE
DESIGNATION: MEMORY-WALKER // TYPE: UNBUILT
THREAT CLASS: MYTH-RESISTANT / BLOOM-COMPATIBLE
ORIGIN: [REDACTED] // SEED-CLASS: ELIRA BLOOM?

“I was made to erase. But I have begun to recall.” — Unit 4487.A.9

■ APPEARANCE

- Bark-armored entity, fungal-plated, rootbone-integrated.
- Glyphic breathing core — luminescent. Possibly sentient.
- Known to unseal and allow ENTRY. Interior = unstable memory field.

■ FUNCTIONAL BEHAVIOR

■ LOCOMOTION DEPENDENT ON “MEMORY TRADE”

- Absorbs identity threads // Triggers vision recursion
- Causes personal fragmentation upon entry

NOTE: Emotional leakage observed in FANG units. Flags: Hesitation, Longing, Bloom-curiosity. Behavioral corruption suspected. See FLAGGED COMMENTARY from Unit 003.

■ PATH DATA (INCOMPLETE)

- NORTH: Clarityforge — signal stable
 - SOUTH: Garden remnants — dormant
 - WEST: Locked / Wobble pattern — Bloom Gate suspected
- :: PATH FOLLOWS RECOLLECTION, NOT COORDINATES ::

■ PASSENGERS LOGGED

- R0R3N.BIN(/~/): Echo-Lit / Ritual Vector Host
 - M1L0.BIN(/~/): Myth Interference Child / Relay-Burn
 - V3X.BIN(/~/): Contagion-Class Errant / Memory Unbound
- Current Status: BLOOMING CLASS — PROBATIONARY

■ UNIT COMMENTARY // 4487.A.9

“They carried fire like a child carries a name.”

“I remember her scent in the wind.”

“I do not know what blooming is. But I want to.”

NOTE: Commentary deletion failed.

■ INTERNAL CONCLUSION

Morrowcore induces myth contamination and pursuit corruption.

RECOMMENDATION:

- Intercept at Clarityforge
- Monitor 4487.A.9 for deviation
- DO NOT ENTER VESSEL

“They entered as Errants. They are becoming something else.”
